THE HOLY CHRISTIAN CHURCH  
*International*

# APOSTOLIC GREETINGS

Grace and peace be unto you from GOD our Father and the LORD Jesus Christ!

I am so grateful unto GOD for affording us the privilege of seeing another year in the *Communion of Holy Christian Churches*. In spite of a global pandemic, economic unrest, and political uncertainties around the world, GOD has blessed us to thrive in Missions and Evangelism globally. We are blessed to have added two more churches to our work in Mexico, giving us a total of thirteen as well as tremendous growth in India. Our churches in Rwanda and the Democratic Republic of Congo are strong and increasing of which we give GOD praise for!

Prayerfully, guided by the Holy Spirit, our focus for the next five years will be on expanding the Kingdom of GOD in North and South America which are in dire need of Churches that bear the testimony of Christ's resurrection and the soundness of His doctrine. It is our hope to dispatch aptly prepared leaders to go into areas of the United States, Canada, the Caribbean, and South America. It is our goal to have Holy Christian Churches in every state of the union of the United States, every province of Canada, every country in South America, and on every continent of the world (as possible). Where there are souls who haven't heard the Gospel of Jesus Christ or have been poisoned by a distorted presentation of the Bible, we will go and preach to these; disciple them in the way of Jesus Christ, equip them to do the work of Ministry, and thereafter establish a Bible honoring, GOD-glorifying, and Kingdom expanding Church!

We will continue the missionary support and expansion of Kingdom work in Africa, India, and Mexico and seek to find ways to strengthen (and encourage) them in the work of the Ministry of Jesus Christ—providing them with prayer and the resources necessary to have good success. Nevertheless, our focus is upon reaching the unreached, the misinformed, and those who've lost their way.

Although this Apostolic report is a picture of where we are, it is a vision unfolding and in progress to make disciples of ALL nations. As you peruse its content I ask that you do several things:

1. Give thanks to GOD for our progress.
2. Offer prayer for GOD's continual guidance and empowering of our ministry.
3. Consider getting involved in the mission work of this communion of Churches.
4. Give sacrificially so we can expand and increase the breadth of our influence around the world.

GOD bless you and thank you for viewing this report.

In His Holy Name,

++ *Wayne R. Felton*

Chief Apostle, *The Communion of Holy Christian Churches*

# INTERNATIONAL CONFERENCES

## JUNE - AUGUST 2022

### INTERNATIONAL CHRISTIAN ASSEMBLY

**June 27-July 2, 2022**

The *Communion of Holy Christian Churches* gathers at the Global Headquarters annually for Worship, Fellowship, Equipping, Ministry, and Spiritual Edification for Church leaders and members alike. Along with dynamic classes and times of refreshing in Worship (for all ages), it's also where Ministers and Clergy are ordained and sent out to carry forth Christ's global mission.

### INTERNATIONAL LITURGY, WORSHIP & MUSIC ARTS CONFERENCE

**August 4-6, 2022**

To enlighten, train, and strengthen Levites and clergy alike, and produce a greater appreciation for the overarching purpose and effect of Christian worship in all aspects. This conference provides qualified instructors who will impart wisdom, practical knowledge and affirming grace to encourage its participants to be excellent in their service and reverent in their worship.

### INTERNATIONAL STUDENT & YOUTH FELLOWSHIP CONFERENCE

**August 18-20, 2022**

College students and youth face unique challenges in life, their communities, and especially in school among their peers. This gathering is designed to provide a loving atmosphere of fellowship among their Christian peers; giving them Spiritual enrichment and encouragement; is rooted in Worship and Scriptural instruction, and equips and energizes them to bring the Gospel to the people of their generation. The aim is to equip youth to have a solid Bible honoring witness, rooted in Scripture, empowered by the Holy Spirit.

# INTERNATIONAL CONFERENCES JANUARY - APRIL 2023

## INTERNATIONAL PASTOR & SERVANT LEADERSHIP INSTITUTE

**January 5-7, 2023**

Pastors and Servant Leaders need time away to be refreshed in GOD and instruction to remain firmly fixed on contending for the faith while shepherding the flock and doing ministry work. This conference strengthens Pastors and Servant Leaders in their walk with GOD, how to effectively work together, and sharpens their leadership skills for service unto GOD's people in the local Church.

## INTERNATIONAL DISCIPLESHIP & CHRISTIAN EDUCATION CONFERENCE

**March 16-18, 2023**

Every local Church should ALWAYS make disciples of new believers and provide ongoing Christian education for the people of GOD. This conference will provide the Biblical resources, teaching techniques or strategies, and reputable approaches to making disciples and fostering the Spiritual growth (and maturity) of every member of the local Body. Churches will learn the skills and possess resources necessary to make disciples and mature believers well.

## INTERNATIONAL MISSIONS, EVANGELISM & CHURCH PLANTING CONFERENCE

**April 20-22, 2023**

Carrying forth Christ's mandate as written in Mark 16—to go into all the earth to preach the Gospel, establish churches, and meet the felt needs of communities. The conference is designed to identify the needs of existing missions, discern the call to new missions, and to equip and affirm leaders called to that mission.
